DEDICATION

Our high school days will live again only in memory. This Anvil is to remind us of the four happiest years of our life. Our yearbook is like a locked chest filled with old memories.

When we open our Anvil and turn to the printed words and pictures, we unlock a series of recollections that we little dream of now.

In our youth we
little heed the past or present.
We look to the future. It is only
when the years pass on that we
turn back to the light of the past. Only
then do we fully realize the happiness of
these beautiful golden days of our youth.

DEDICATION

CLYDE E. KELLAM

The passing of this year marks the retirement of Mr. Clyde E. Kellam who has served twenty-nine years as a teacher at Washington High School. His patience, excellent counseling, and his outstanding teaching ability will be missed by all. His leaving creates a vacancy that will be hard to fill.

Mr. Kellam received his Bachelor of Arts degree from Indiana University and his Master's degree from the University of Chicago. He taught two and one-half years at McKinley school before coming to Washington in 1923.

In addition to his duties of teaching, Mr. Kellam acted as Dean of Boys and Assistant Principal. He has very ably carried out both jobs.

We graduating seniors shall always remember Mr. Kellam, not only for the education we have received from him, but also for the friendship and guidance he has given us.

MR. CASH, Principal

During the seven year period Mr. Cash has been principal of Washington High School, he has become noted for his excellent guidance and assistance to the students. He has set up fine standards for all students to follow. We are truly fortunate to have such a man for the principal of our school.

MRS. BEST

The principal must face a great many problems. Since one man cannot personally carry out all the duties, Mr. Cash has two very able assistants—Mr. C. E. Kellam and Mr. T. V. Altenderfer. Mr. Kellam also serves as Dean of Boys. Miss Kate DePew, Dean of Girls, does a very capable job in her guidance program.

Mrs. Best, the school nurse, keeps a close check on the health of the high school students.

The smooth running of the office and other important duties pertaining to school affairs and business is handled by our very efficient office staff: Miss Christoff, Miss Bistrican, and Mrs. Romanenko.

SENIOR ANVIL STAFF

Crash! Boom! Bang! Oh, pay no attention to that. The ceiling isn't falling in. It's just the Senior Anvil Staff trying its best to make a better Anvil for everyone.

In case you doubt my word, come with me to room 213A and you'll see what I mean. This is just an example of what you would see on a normal day in the Anvil office. Be careful, here comes our very capable editor-in-chief, Alice Vera, on her way to take care of one of her many tasks. Believe me there are many; and, of course, when Alice isn't there, Annie Kapitan, our Managing Editor, is always ready and willing to take over.

Now that we're inside the office, let's go over and meet those two girls who have their heads buried inside hundreds of books. Of course, they are our Literary Editors, Sally Jerome, and Gerri Barloga, who are trying to pick out a quotation for every senior in the class along with all the other writeups in the Anvil.

There's Violet Wratich, our Secretary-Treasurer. As usual, she is adding columns and columns of figures. Poor Violet!

Paul Bubala, our Advertising Editor, is busy trying to explain how easy it is to get every merchant in town to buy an ad for our Anvil. Of course, Janet Myren, Subscription Editor, knows how we can sell just oodles of Anvils.

Our Art Editors, Frances Kokotis and Louie Sandor, aren't here at the moment; but, I can

show you some of their many fine drawings. Pretty soon our typists will be in here typing away madly. Without these girls, Leah Buchstaber, Shirley Adams and Mary A. Cossey, we'd be lost. Ditto for our capable concession head, Jeanette Daronatsy.

Naturally, we have a sports' section in our year book; and to take care of this is Deloris Adams and Perry Pace.

Here come our photographers, Charles Kropp and Basil Pacheco. These boys are never without a camera. After all, you never can tell when they have to take a picture.

Now that you've met the staff, we hope you have an idea of what goes on in the Anvil office everyday, and whenever you have the time, drop in because you're always welcome.

Seeing that our guests have left, we want everyone to know that without the cooperation of every member of the staff this year book would not have been a success. Also, many thanks to our Senior Assistants who helped us in every way possible; and of course, we couldn't have done without Don Kosovac, Delores Shonk, and Elaine Katzourakis, who helped us immensely.

Thanks loads Mr. C. Johnson, other faculty sponsors, and everyone else who helped make 1952's Anvil one of the best memories we will ever have.

WEEKLY ANVIL

MARY KAY MATTHEWS

Co-Editor

BARBARA BARTOK

Co-Editor

This year's Weekly Anvil has changed from its usual style of having an editor and assistant editor and has substituted in its place two very capable co-editors, Mary Kay Matthews and Barbara Bartok. We recognize and appreciate the work these girls have done for the responsibility and importance of this job is great.

We would also like to extend a vote of thanks to Ruth Carol McGlasson on her many fine editorials during the school year. Diane Mazur, exchange editor, has added new and clever ideas to interest the readers. Jean Quinlin, columnist, has kept us posted with all the latest gossip. Bonnie Jones, feature editor, has been very efficient in getting interesting items of news.

Our very energetic reporters add much to the news, gossip and activities around school. They are Nina Ayamo, Ruth Rush, Irene Dabrowski, Helen Suchar, Joan Sandberg, Jeanette Daronatsy, Denice Chobanov, Dorothy Calhoun, Lois Pedziwatr, Joan Kapszukiewicz, Helen Perez and Nadine Raseta.

In the sports department we find Argentina Beverly keeping us well-informed in girls sports activities. John Deardorff and Joe Costanza have done excellent work in covering all the sports events and giving us interesting and accurate writeups.

Perhaps two of the hardest workers on this year's staff are Marlene Sikich and Mary Cossey. Their job as business managers includes distributing Anvils and handling costs and sales.

"FATHER OF THE BRIDE"

Adopted by Caroline Francke from Edward Streeter's prize-winning novel. Presented November 28, 29 and 30.

The problem of getting a daughter married was the theme presented in the first school play of the year.

It all began when Kay Banks and her fiance, Buckley Dunstan, decide they want to get married in a "simple, lovely ceremony." Father is pleased with their decision, but mother has other ideas.

Before the wedding of his pet daughter, eleven trays arrive, father's secretary resigns, his old tuxedo trousers rip, mother's plants are pulled up, and humorous furniture movers take over the house.

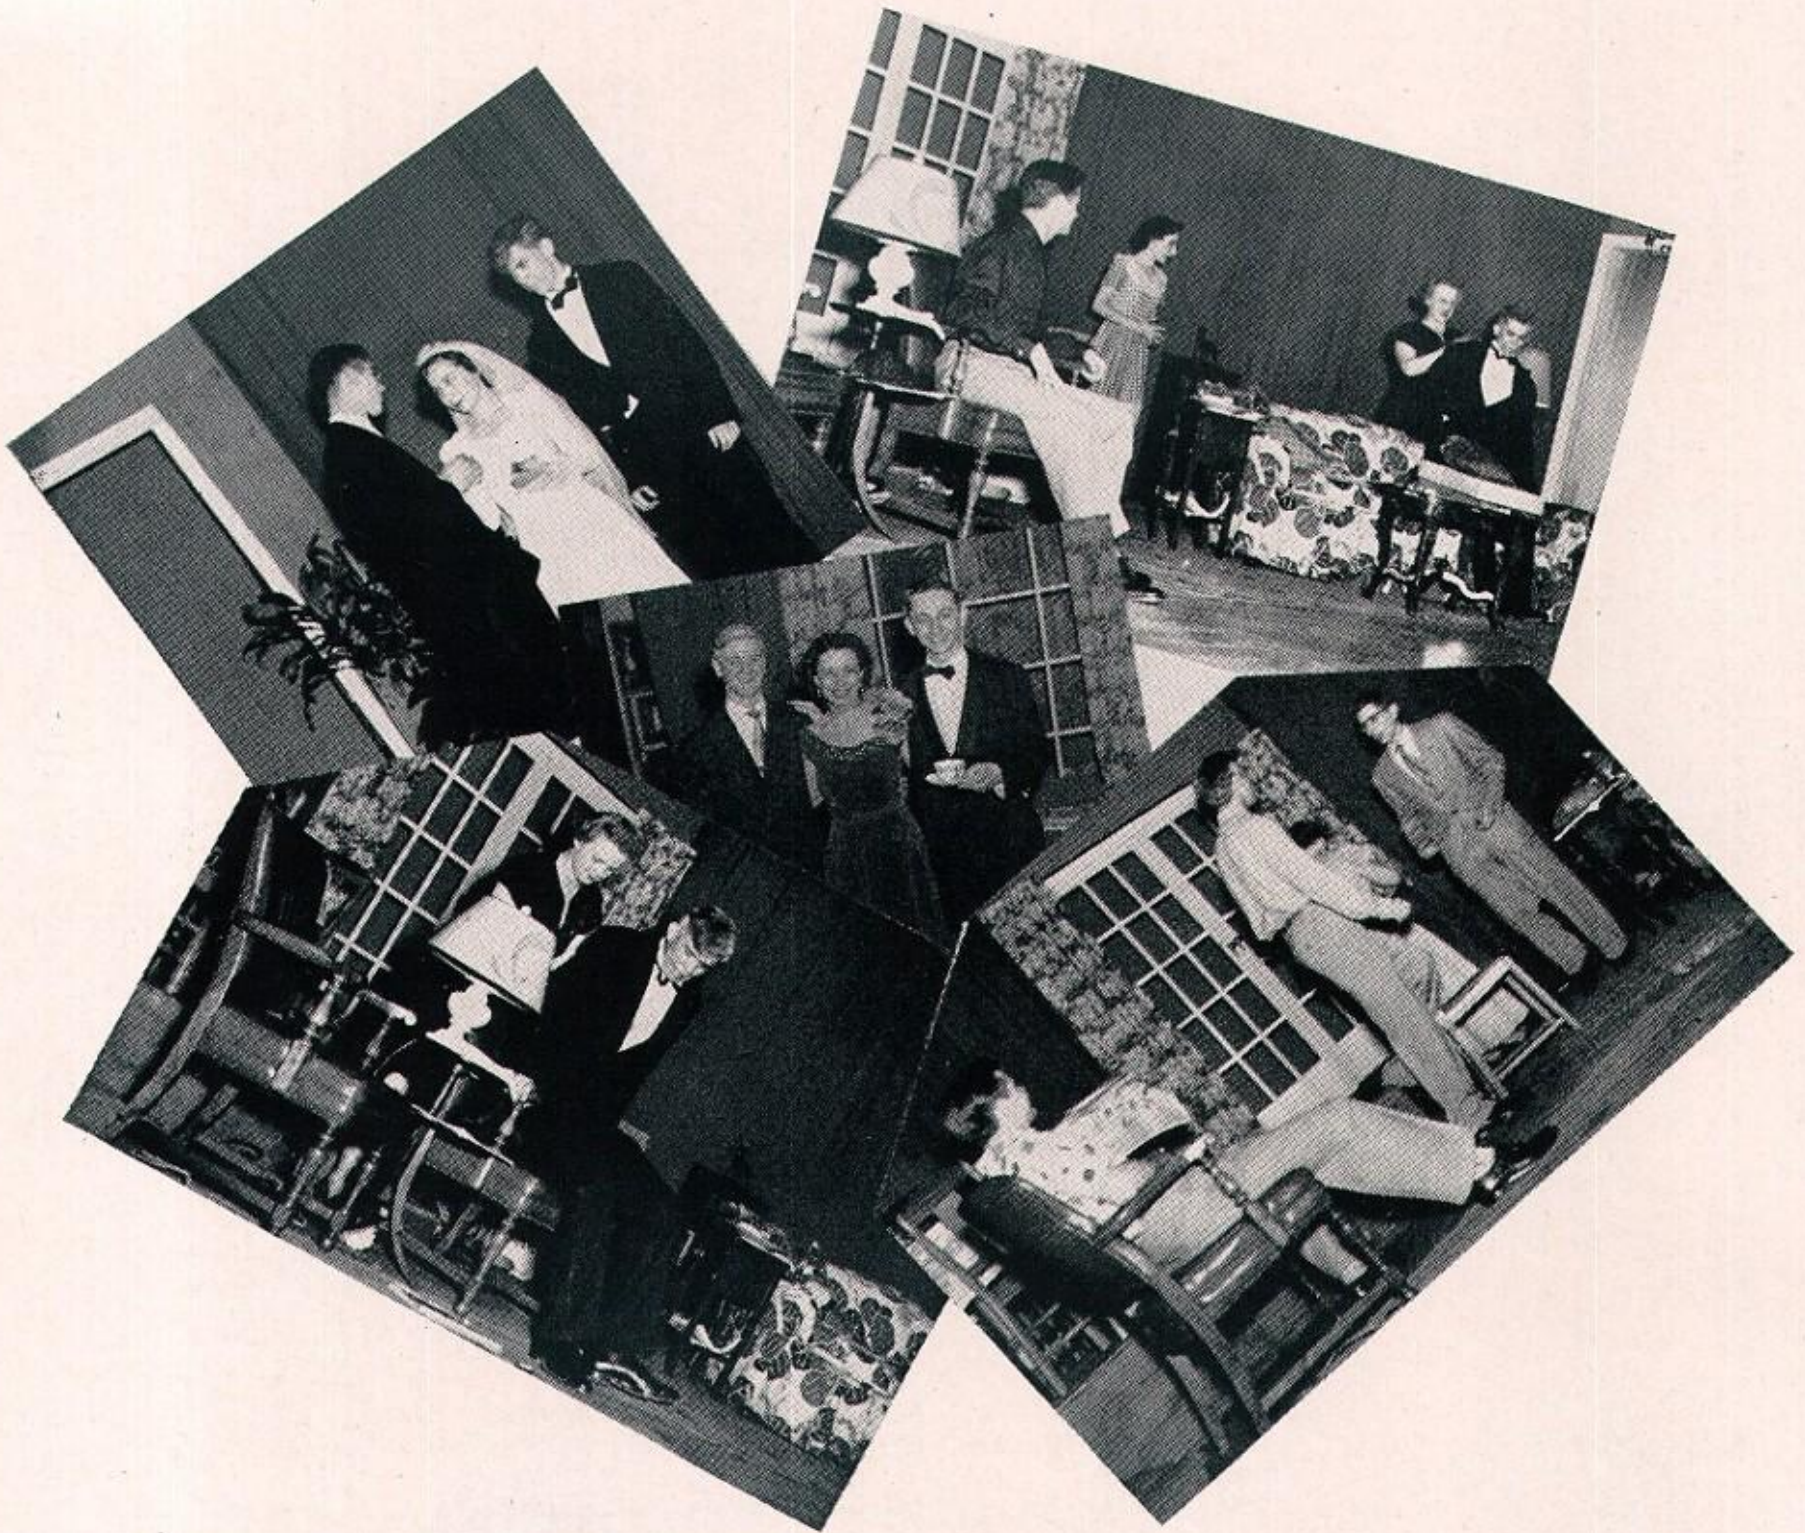

When it becomes known that 400 guests are invited instead of the original 50, father has had enough. But he is reconciled to the idea of a big wedding when Kay and Buckley quarrel in the tension of preparations and father is the only one who can reunite the young couple.

All's well that ends well — the final scene saw Kay and Buckley happily married at last — and father standing by, beaming.

Student directors were Sheila Rich and Blanche Padilla.

"TAMING OF THE SHREW" by William Shakespeare

Presented March 12, 13 and 14

The second school play of this year was a famous Shakespearean comedy.

Due to Baptista's decision that his shrewish daughter, Katharine, must be wed before his younger daughter, Bianca, the latter's suitors engage Petruchio, an equally dominant person, to woo and wed Katharine.

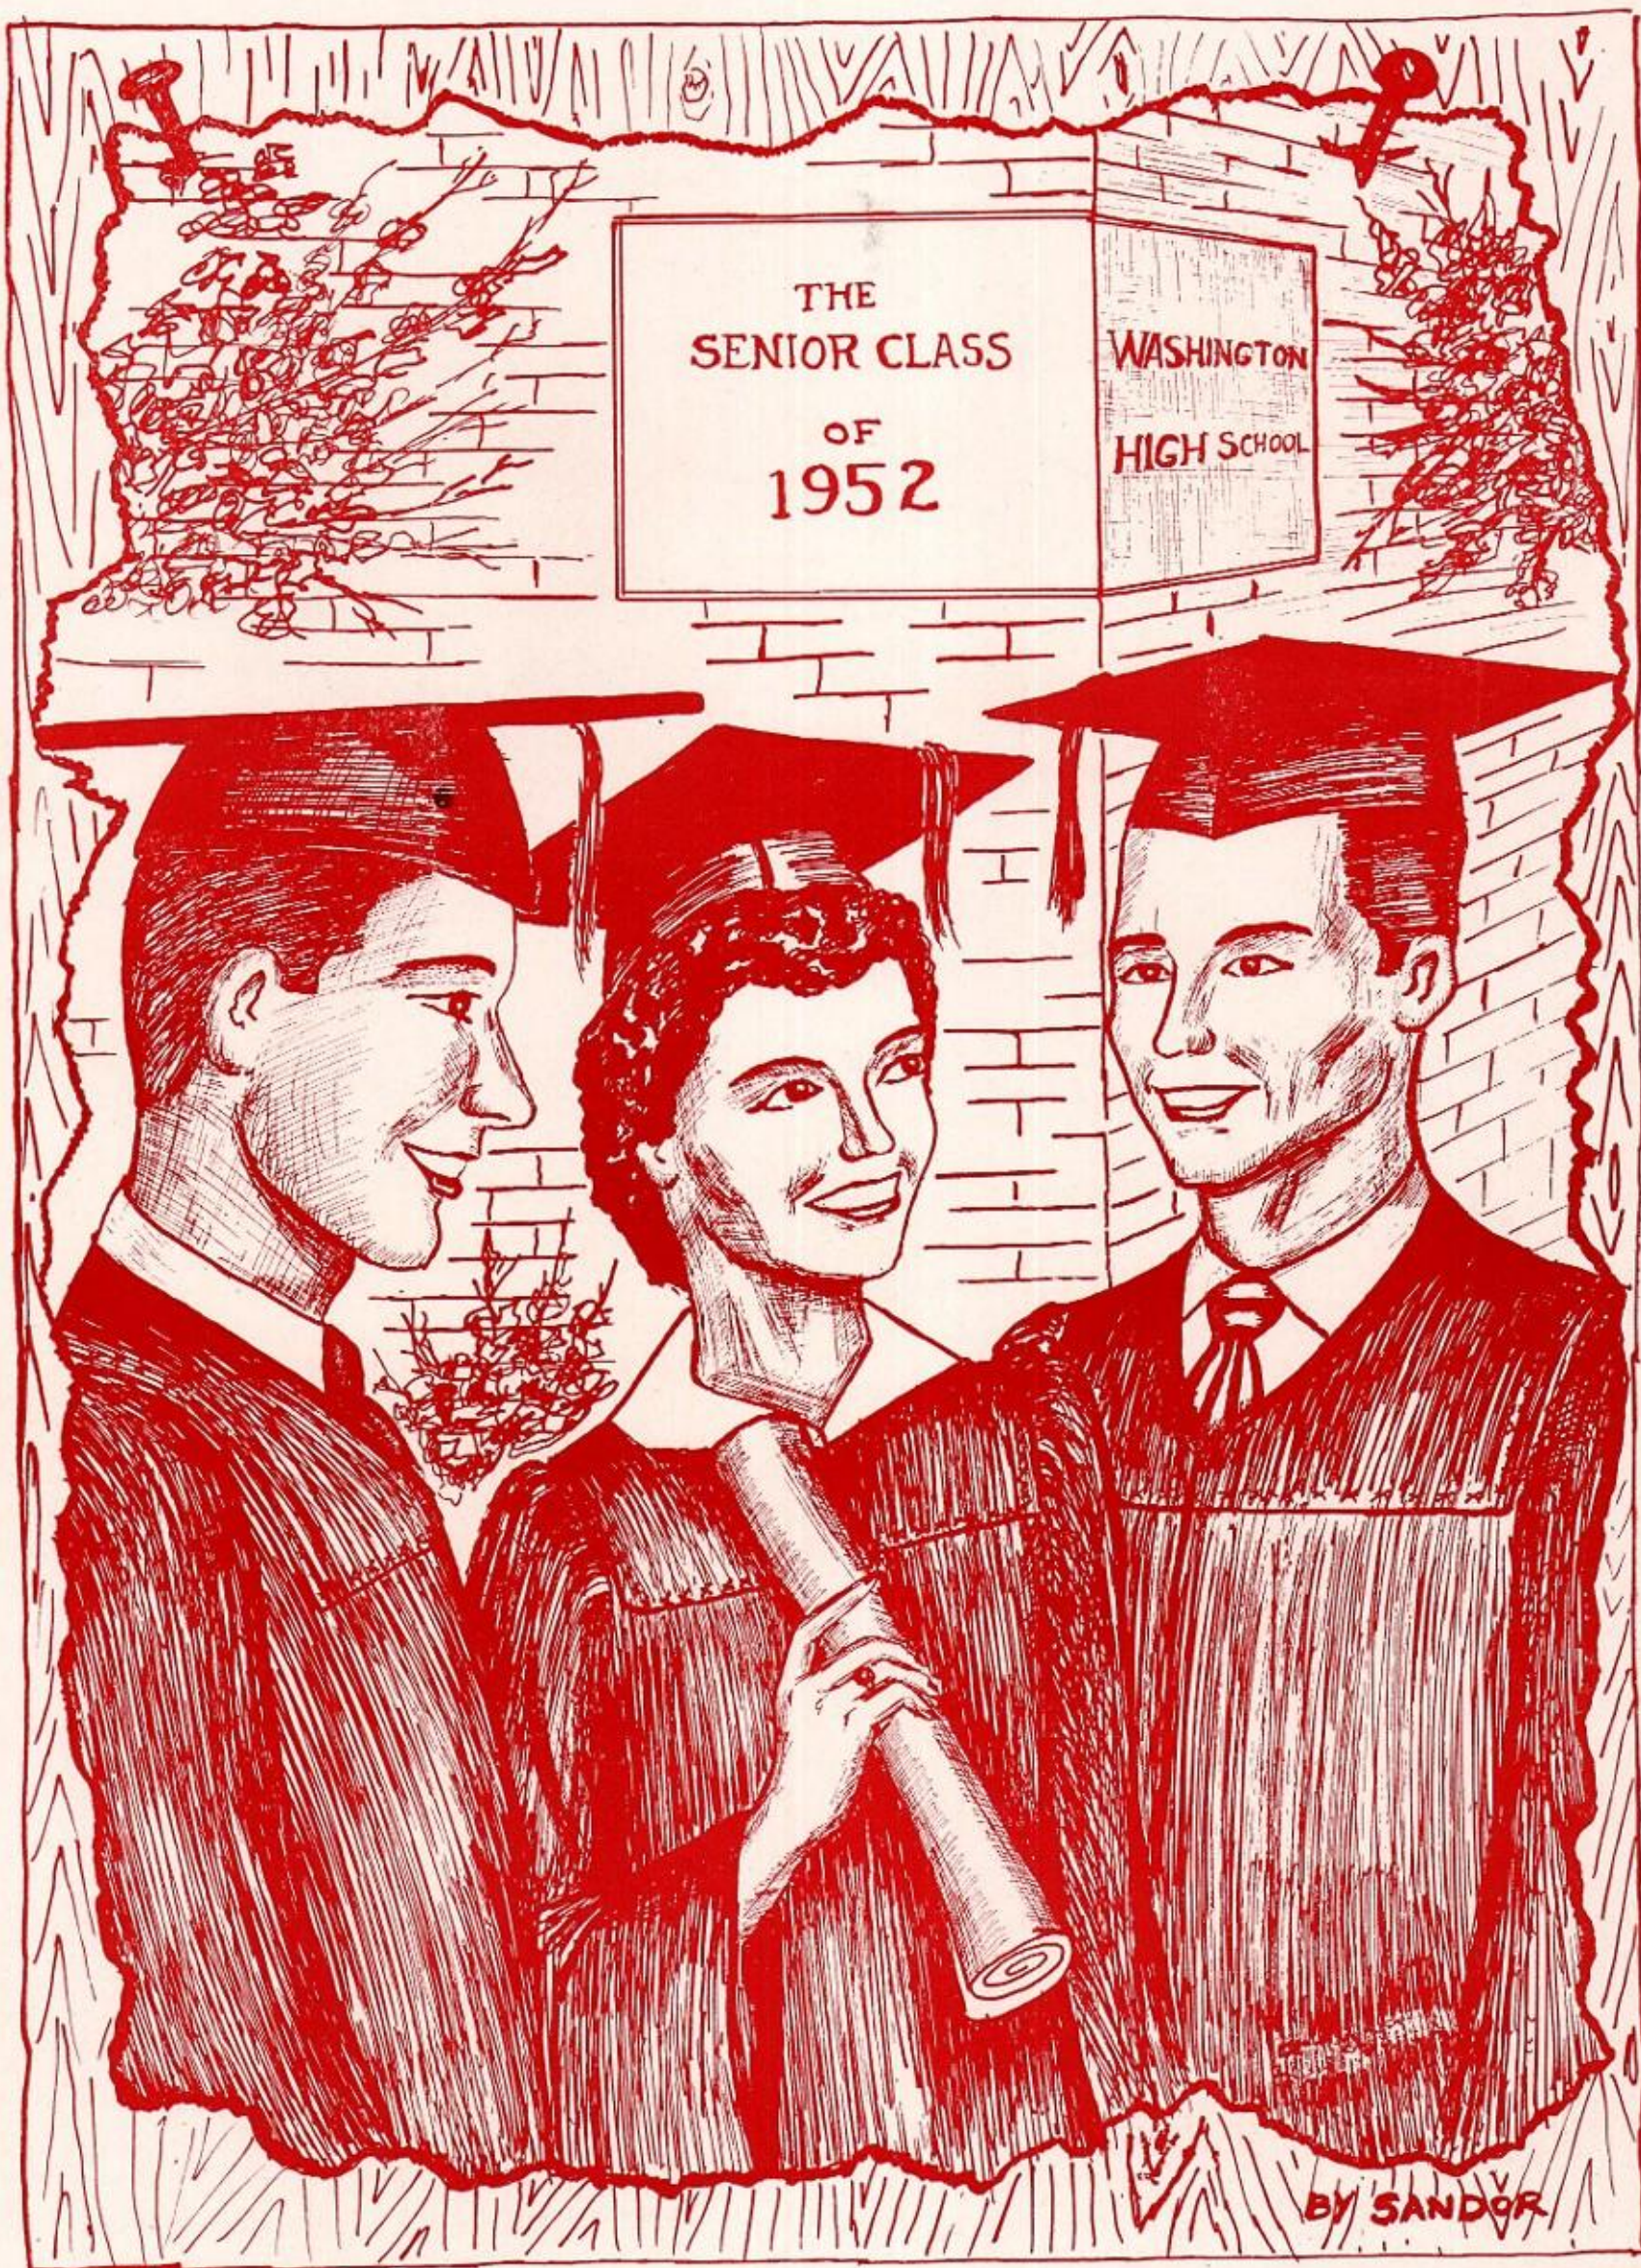

To tame her, Petruchio enlists the aid of a comical crew of servants who starve Katharine, won't permit her to sleep, and will not allow her to get new clothes. Petruchio taunts her, argues with her and constantly confuses her.

Bianca is going to marry Lucentio, and Katharine and Petruchio leave to attend the marriage. There, Petruchio makes a bet with a group of gentlemen that his wife is the most obedient. It is then that he says the famous words, "Kiss me, Kate", and Katharine complies. They both discover a happy life ahead of them, now that the shrew is tamed.

Student director was Margaret Callahan.

SENIOR OFFICERS

Our teachers have done their best to prepare us for the great step we are about to make. The gap between happy care-free youth and the troubled world of adulthood is about to be crossed. We're both proud and happy to know that we have been considered well enough prepared to go and make a place for ourselves in the world. We know the troubled situation that is facing us and our country, but, with our youth and strength we are willing to go out and fight for the ideals we have been taught to love and respect. Although this is the last appearance of ourselves as a group, and each of us shall travel upon a separate path hereafter, we will not forget our teachers and friends nor the four, happy years we've spent at Washington.

This years officers are Bill Emil, president; John Guiden, vice president; Leah Buchstaber, secretary.

In Memoriam

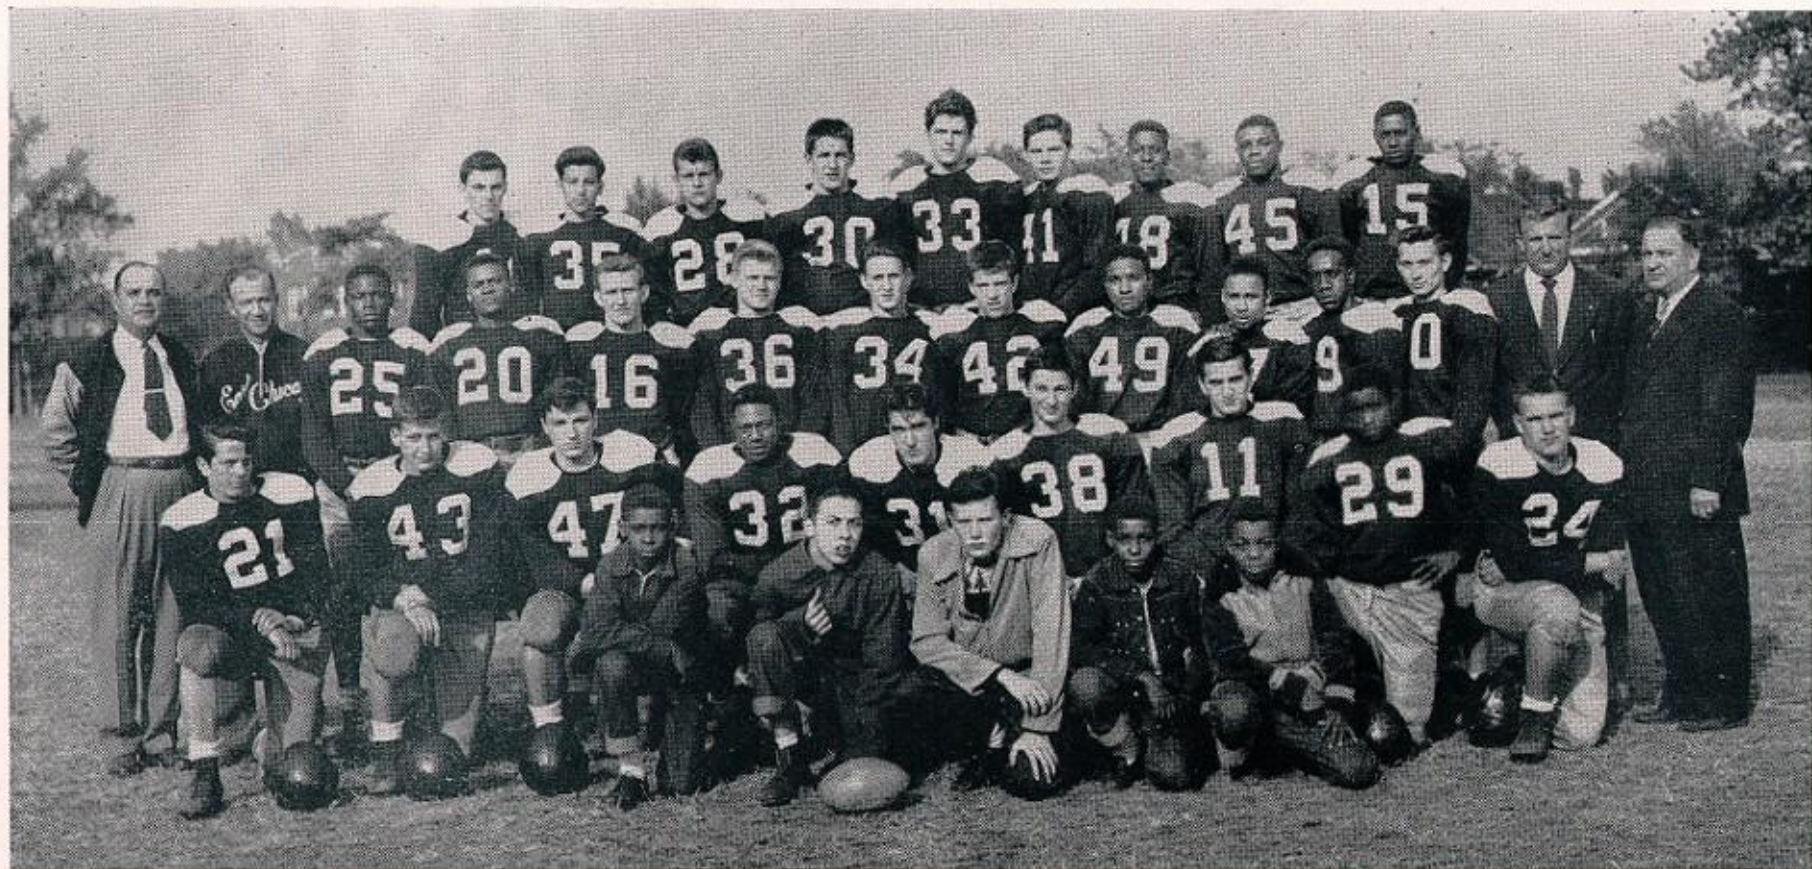

DIANE THORNBURG

The memory of your smile, when young
Reveals His face,
And, when you went before,
You left the gates of Heaven ajar
That we may glimpse,
Approaching from afar,
The glories of His grace.

All State

Murakowski, Coach Zitko, Pinkins.

Our varsity squad, under the watchful eyes of Coach Zitko and his two assistants, Coaches Kendall and Siegle, ventured into the '52 season without the aid of seven mainstay players. Nevertheless unity and spirit prevailed as they went on to win five games out of a rough eight-game schedule.

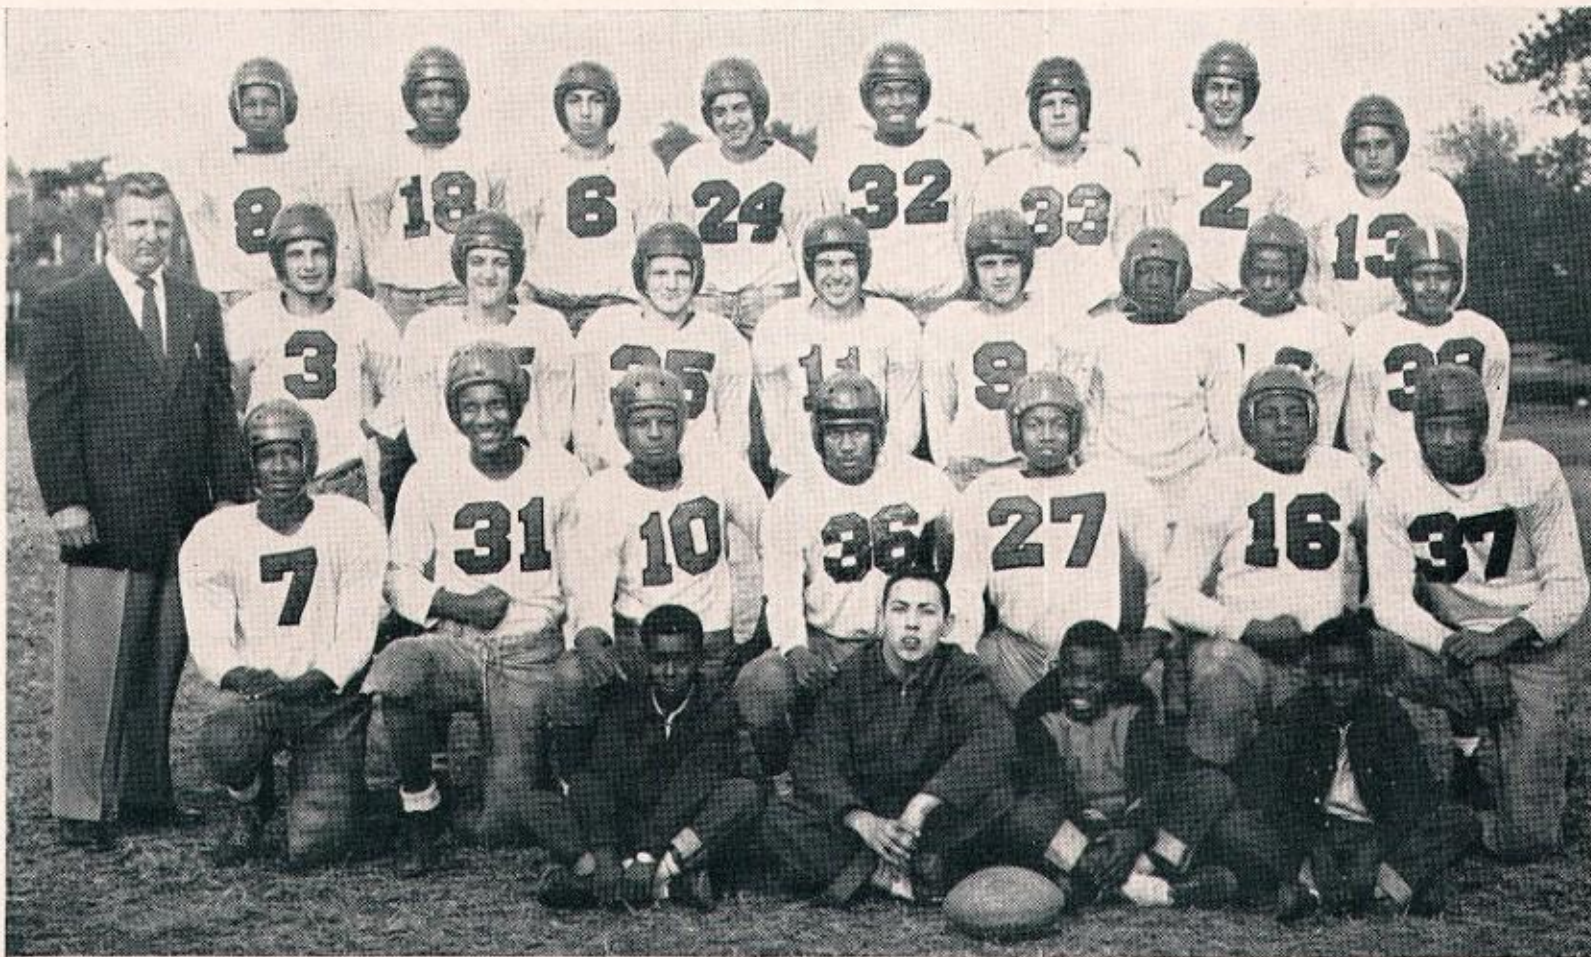

The split-T formation which was used as a strategic plan developed the potential speed in the track caliber backfield combination of F. Battle, T. Buggs, B. Murakowski and D. Kosovac, and enabled such linemen as B. Pinkins, G. Bulfa and R. Wilmot to function more effectively.

For the second time all-state honors were bestowed on Bill Murakowski, back, and Braxton Pinkins, end. Travis Buggs, a leading scorer in the conference, received honorable mention and a position on the all-conference team.

Players lost to graduation are F. Battle, R. Lakota, T. Buggs, C. Wilson, L. Jones, D. Kosovac, J. Wright, D. Adich, B. Pinkins, B. Murakowski and A. Bartok. I am sure we speak for the entire school when we wish these boys and the coming team luck in the future.

RESERVE FOOTBALL

This years reserve team, formerly known as the sophomore team, was a storage plant of power. A high scoring team from the beginning to the end, they defeated all opponents to become conference champs.

Superior coaching tactics on the part of Coach Siegle and all-around participation by both line and backfield enabled the keeping of the title which was also won by last years sophomore team. Let us hope they carry such skills with them into their varsity year. Incidentally, the last two games with Horace Mann and Emerson were called off due to bad weather.

VARSIY BASKETBALL

This season brought about the witnessing of one of Washington's better basketball teams. Although our upset came abruptly in the sectional tourney, undoubtedly the team will rank as high in our school's history as it did throughout the state. Coach Baratto's starting five was R. Flynn, N. Smith, E. Juratic, J. Manous and V. Molodet.

Perhaps the most memorable accomplishment, other than our record of eighteen wins, was the seven points our three losses (including the sectional game) were by.

Next year's team will suffer the loss of several key players and their ability to do certain things well. Vic (Beno) Molodet who's hook shots, ball handling, and dribbling landed him a berth on the regional all-star team in '51 and '52 together with Ed Juratic, rebound and tip-in artist and much needed versatility in Braxton Pinkins, Jim Manous, Fletcher Battle and Nealon Gaskey. Despite this loss, the returning players promise many bright victories in '53.

Varsity Tennis

This season the tennis team did us proud by finishing its fourth consecutive winning year. Under the direction of Coach John Kolas, Washington placed second in the conference after being champ for two consecutive years.

Our hats off to Don Dupes and Paul Bubala—graduating seniors. We shall be expecting much in the future and know the team will live up to expectations.

Second row: Coxin, Pacurar, Jacoby, Stepanovich, Martinez, Garces, Padilla.

Third row: Guzman, Lax, Shehigan, Coach Freiberger, Ranich, Jones, Korotky.

WRESTLING

Contrary to last year's team, the Washington grapplers had a fairly successful season. Not only did they win the sectional crown, but two of the matmen placed in the state meet. John Shehigan, 145 pounds, who captured third place at 138 pounds in the state meet last year, moved up a couple of notches and took first place. Following closely was his 141-pound colleague, Bruce Lax, who placed second.

Others with impressive records were Charles (Chuckie) O'Donnell in the 138-pound class, Charlie Pacurar in the 95-pound class, Glenn Jacoby at 115 pounds, Carl Guzman, Richard Dougherty, Rueben Garces and freshman heavyweight Nick Ranich.

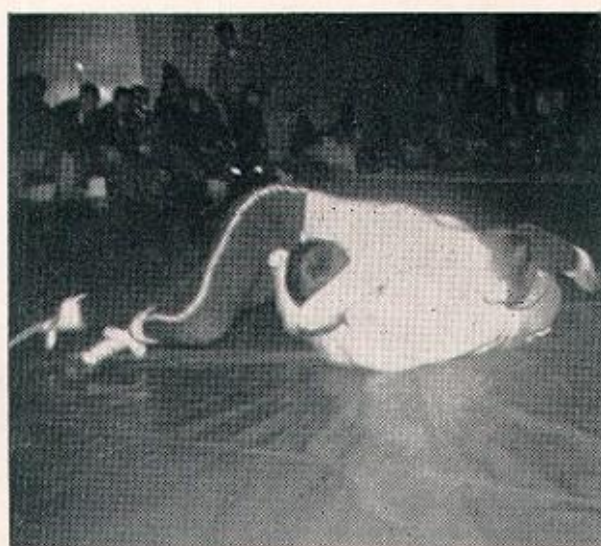

Congratulations to Coach Freiberger and his boys for providing a competitive sport.

Front row: Coach Freiberger, Munoz, Martinez, Bozeman, Maniotes, Garrett, Wilmot, Jackson, C. Buggs, Coach Walton.

Kneeling: Padilla, Watts, Mgrs.

TRACK

As the track season got under way the hopes of both coach and team were high. High hopes were well justified because of the quantity and quality of speedsters on the rosters.

State records were set by Travis Buggs, who ran the 100 yard dash in 10 seconds; and Richard Halliday, who ran the low hurdles in 20.2 seconds and the high hurdles in 15.8 seconds.

Congratulations to the coach and team. The team with a qualified man in each event should be hard to beat.

CROSS COUNTRY

Often a boy who participates on a cross country team has a two-fold reason. To score victoriously for the team while developing endurance for future sports such as track, basketball and wrestling.

This year, however, the stress must have emphatically been placed on victory as the team went undefeated throughout the season.

VARSITY BASEBALL

The opening of the baseball season found the Senator nine ready, willing, and able. Flanked with experienced players in both infield and outfield, the teams trouble, if any, should arise from the pitching staff which boasts only one returning pitcher.

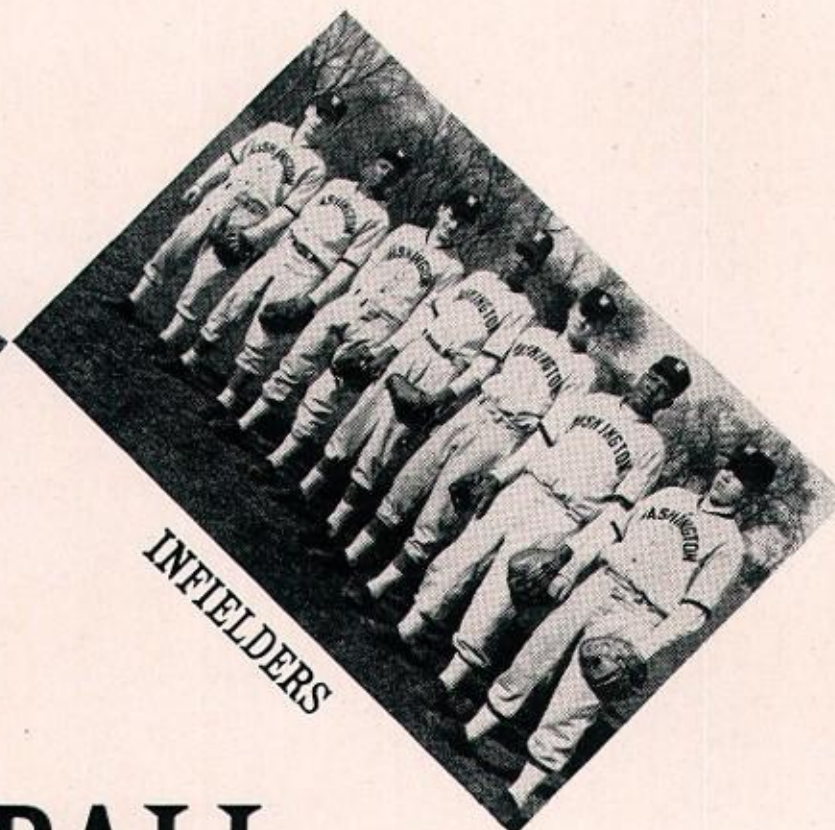

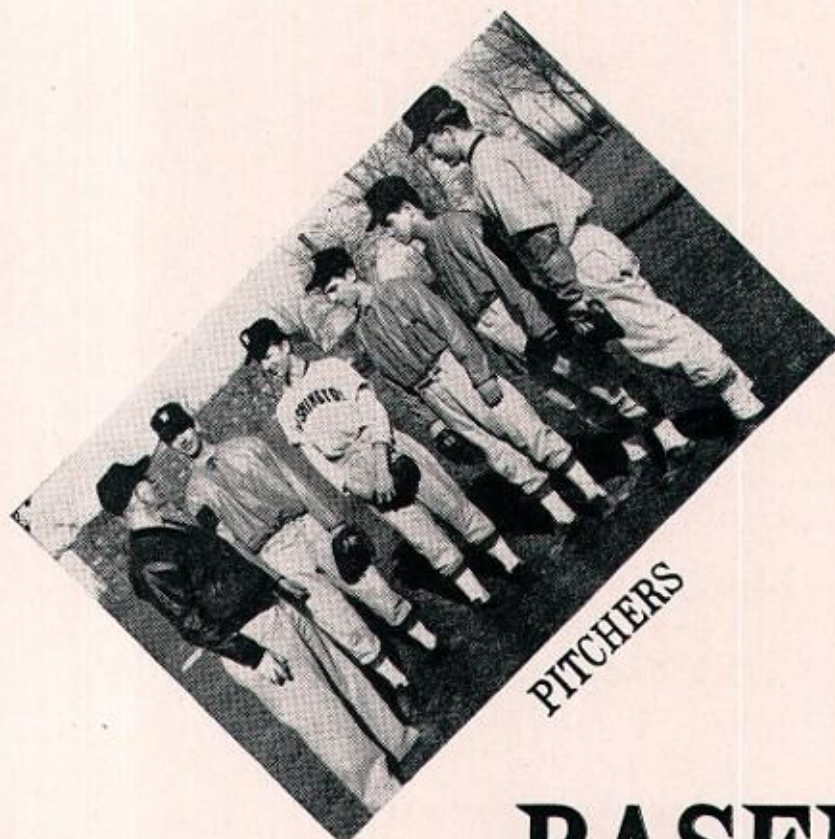

The boys back this year to give it another spin are Dimitre Adich, Joe Arredondo, Robert Flynn, Arthur Goldsmith, John Guiden, Donald Kosovac, Victor Moledet, Tony Pinkins, John Bridgeman, Bert Michael and LeRoy Uriss.

The future looks bright with many victories anticipated.

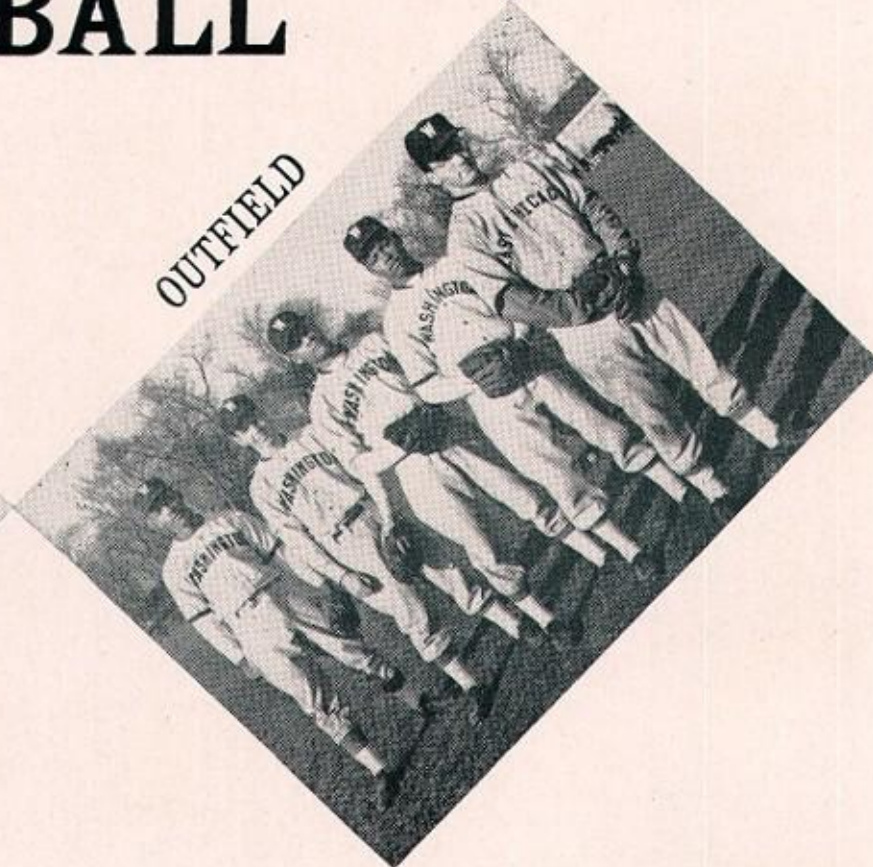

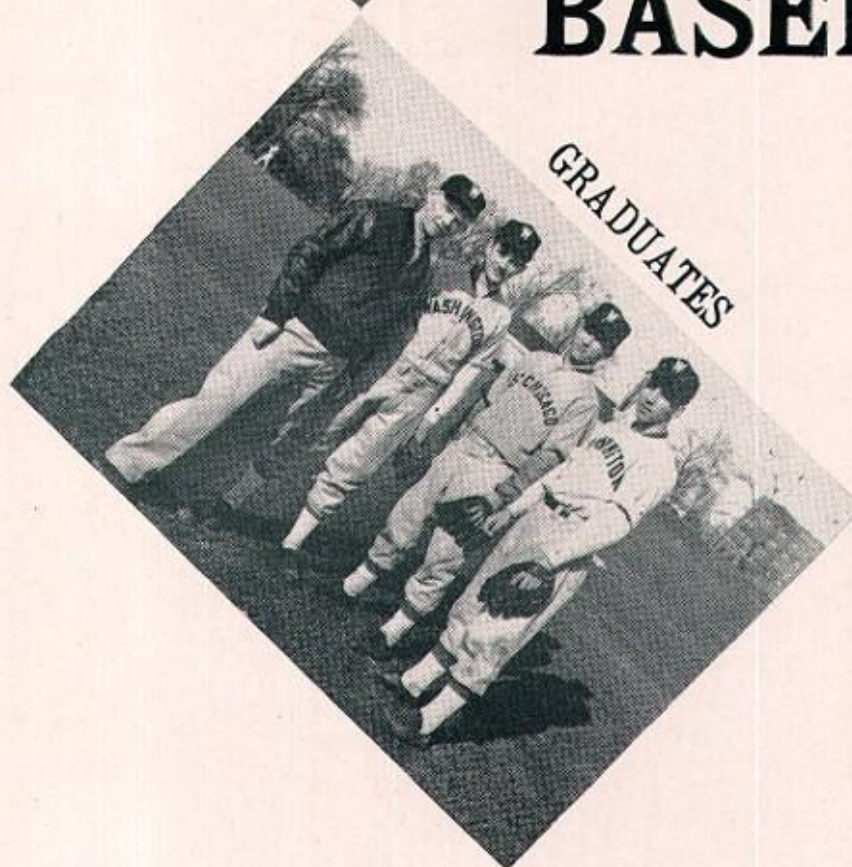

Back row: Costa, Kosovac, Michaels, Brokemond, Olah, Bridgeman, Arredondo, Flynn, Schweingruber.

Front row: Guiden, Stepanovich, Holland, Molodet, Pinkins, Bajus, Smith, O'Donnell.

NATIONAL HONOR SOCIETY

All seniors who rank in the upper third of the entire senior class are eligible for the National Honor Society. It is a privilege to belong to this group, and nearly all students look toward its membership with eager anticipation.

This year 34 seniors were elected to the group. They were selected on the basis of character, leadership, and service to the school. After the members are announced, a meeting of the society is held for the election of officers. This year's officers are Donald Dupes, President; Alice Vera, Vice President; Annie Kapitan, Secretary and Paul Bubala, Treasurer.

DEAR DIARY

- SEPTEMBER.....With doors open wide we return for the last time . . . we find changes in our faculty. Mr. Geddes, Mr. Ginay, and Mr. Barkal have transferred to Roosevelt . . . Our football team won its first game over Chicago Amundsen . . . 40 to 0. Despite the rain which began the second half, we stayed till the final gun went off.
- OCTOBER.....The Seniors have begun to show their authority, for they are now taking Senior pictures . . . Veronica Long and Ruby Bates were chosen to cheer the team on to more victories . . . We traveled to South Bend for a football game, but alas, we lost 13 to 6. Oh well, the trip was lots of fun anyway . . . Hurrah!! School is recessed for 2 whole days . . . due to a teacher's meeting.
- NOVEMBER.....Seniors choose officers to lead their class . . . Hats off to Bill Emil, President; John Guiden, Vice President; and Leah Buchstaber, Secretary. Juniors also elected their officers . . . Drama Department chose a cast for "The Father of the Bride." . . . Horror of Horrors, we lost the Brown Derby 38 to 12! Oh well, there is always next year . . . Bill Murakowski and Braxton Pinkins brought honors to our school by being voted on the All-State football team.
- DECEMBER.....We started the basketball season off with a bang by defeating South Bend Central 42 to 37 . . . This year . . . as usual the Girl Counselors are dressing dolls for the Salvation Army . . . The Halls were made more cheerful by the gayly decorated Christmas trees put up by the students . . . At last our much needed Christmas vacation has arrived . . . Senators took second place in the Holiday Tourney . . . Oh yes! We almost forgot . . . Constitution Tests were enjoyed by all Government 11 students???
- JANUARY.....Back to school after two weeks of fun . . . Washington Brothers chose Charles Lee as President . . . WHS lost 70 students at Mid-Year graduation — Mid-term girl grads were honored at a library tea . . . by now everyone has seen our new Indiana State Flag which was purchased by our Student Government.
- FEBRUARY.....All is quiet around WHS . . . why?? The vigilante committee was chosen that's why . . . Orchids to the Drama Department for a fine performance of "Taming of the Shrew." . . . Miss Goldie Brill retired and was replaced by Miss Rae Johnson . . . WHS entered the basketball tourney favored

to take state . . . but were upset by a "darkhorse" . . . Oh well, that's life in the big city . . . An assembly was held on job opportunities for SENIORS ONLY.

MARCH.....Congrats to our State Champ wrestler, John Shehigan, also the team for winning the Conference Championship and the Regionals . . . National Honor Society was chose — Don Dupes was elected president . . . Hi-Lites committee was chosen with Don Kosovac acting as chairman.

APRIL.....Purdue contest was held — WHS came home with some fine prizes . . . Tryouts were held for the Hi-Lites . . . Everyone is planning and rehearsing . . . Seniors were beginning to feel like Seniors, measurements were taken for Caps and Gowns — Girls chose white — Boys, blue . . . Name cards and announcements were ordered . . . It won't be long now . . . Oh yes! We can't forget our Easter vacation which was enjoyed by all . . . We played our first baseball game against Clark . . . Ah, yes . . . Spring is here.

MAY.....Yes . . . this is the time of the year when you can be easily persuaded to do you know what . . . But if you have Government 12, you think twice . . . because you're pretty busy trying to please Mr. Souter with your Consumer's Report. The Annual Spring Concert put everyone in a festive mood. The Hi-Lites were a great success and enjcyed by all.

JUNE.....This is it kids . . . Only 11 more days and we can say we "used" to attend WHS. Everyone enjoyed the fine Class Day Program . . . And you should have seen some of the Seniors on Hobo Day . . . You'd never guess they were seniors. Seniors had a day off at the right time . . . 'cause almost everyone was at a Spring formal the night before . . . Now on June 11 (the long awaited day) as you march in to the familiar tune of Pomp and Circumstance many things go through your mind . . . You almost wish you could stay another year . . . Well, Dear Diary, that's all for this year . . . but please don't forget us 'cause we'll never forget you.

GRAVER

You're saying goodbye to your high school days—but you're saying hello to new, exciting days ahead. Congratulations and welcome to the future!

In this future, Inland Steel's opportunities are yours . . . opportunities open to high school grads.

If you have some mechanical training or aptitude, there are careers open in many fields: as machinists, welders, electricians, patternmakers, pipefitters, boilermakers. There are careers to follow in metallurgy and chemistry. And there are opportunities in the office and clerical fields. The job of production—making the steel needed to keep America strong—offers a challenge to alert, young men.

You can have a "get-ahead" future through Inland's training opportunities. You can get apprentice or on-the-job training to become more skilled in your trade. You also can get college training

and a college certificate through the Purdue-Inland Training Program, a program where Inland sponsors you through this course at Purdue Extension.

Inland has been in the busy Calumet Region for more than a half-century. We'll be here in the future, too, because we're a basic industry, making a product used by everyone, including the housewife opening a can of peas and the G.I. firing an artillery shell.

Inland Steel Company serves the nation—and it can serve you, too, in the exciting days ahead.
